SPONSOR A COBBER CAMPER

In the past 4 years, Cobber Soccer Camp has been working in cooperation with local organizations (i.e. Fargo Public Schools, Moorhead Schools, etc) to provide opportunities to soccer players that can't afford full registration fees. This partnership has enabled a number of young soccer players to attend our camp at little to no cost.

This year, we are extending our services to include "Sponsor a Cobber Camper" program. We are looking for generous donors to assist with this program.

We are looking for donations that will assist with half of the cost of registration. The other half of the registration fee will be covered by the Cobber Soccer Camp.

Donations of \$40 will cover the cost for day campers (ages 6-12). For full day campers, we'll be looking for donations of \$85.

Campers in need will need to apply for the program. Once registered, a quick background check using federal guidelines to assess actual need will be done.

It is our goal to provide a great soccer experience for every soccer player that is interested. With your help, we can offer a great week of soccer to those in need.

For more information on the program, contact Dan Weiler at weiler@cord.edu or 701-361-8625.

2010 WORLD CUP AND COBBER TRIVIA

As you all know, the 2010 World Cup will be starting soon June 11- July 11. While I was hoping to be in South Africa in person, I'll have to settle for getting some soccer fanatics together in front of the TV.

Regardless of what team you support or think will win, it's always an amazing tournament and such a great way to learn about the beautiful game. I encourage all of our campers and parents to watch as much as possible. North Americans don't watch (live or on TV) enough soccer. It is such a valuable learning tool.

During camp, we will refer to the games, moves and moments that occur in the Cup. We hope that our campers can add to this experience by sharing their own

thoughts about teams, players, and games that they have seen.

As all returning campers know, we love to play soccer trivia during the week of camp. In the past, the prize has always been a coveted bottle of Gatorade. We will add to this prize this year with Cobber Soccer Team Poster. Not that our campers needed any extra motivation, we just wanted to up the ante.

The coaching staff will come prepared to fend off any and all questions. Encourage your son or daughter to think of some good questions for us. We look forward to answering them (and being stumped).

Thank you all for supporting your local camps.
